Wanted - A Pedigree

Nina Clemmens was adopted as a baby. When her parents die, she goes to live with her religious aunt, who mistreats her because of her temper and her origin. Nina has been haunted by a woman in black for her whole life. She meets Dr. Monteith, who is a widower whose wife died in childbirth. Will Nina be safe with him? Will she come to know the God both her aunt and Dr. Monteith claim to serve? Will she ever be accepted despite her lack of pedigree? When a young man carelessly insults her, she vows revenge. But it is not as simple as she thought. Will she be reconciled to the one she loves? Will the mystery of the woman in black be solved? (Summary by Bria Snow)
